

## **Linda A. Brown**

Executive Director

Executive Director of The Doctors Clinic, a physician owned multi-specialty medical group with 75 physicians serving the health care needs of the 260,000 people living in Kitsap County, Washington. It has been my privilege to work with the outstanding physicians and support staff at the clinic since 1999. We have a network of 10 clinical locations throughout the Kitsap Peninsula and Bainbridge Island with a wide variety of ancillary services including ambulatory surgery, advanced imaging and lab.

Our mission is **Excellence in Patient Care**. We are deeply committed to providing you and your family with only the best health care services. Our physicians are all board certified or board eligible in their specialty. Our staff members are seasoned professionals with years of experience in delivering personalized and friendly care. If you are a patient seeking a high quality doctor please contact our patient advocate who will assist you in making a selection individualized to your personal needs. If you are motivated, hard working, patient friendly, team oriented health care employee please consider joining our team.
