

## Salmon Medical Center Receives ACR Accreditation

July 6, 2009 - Silverdale

The Doctors Clinic Imaging Centers in Silverdale, Washington have been awarded a three-year term of accreditation in Computed Tomography Imaging, Magnetic Resonance Imaging, Nuclear Medicine Imaging, and Ultrasound General and Vascular Imaging as a result of a recent survey by the American College of Radiology (ACR).

The ACR, headquartered in Reston, Va., awards accreditation to facilities for the achievement of excellence in protocol standards after a peer-review evaluation of the practice. Evaluations are conducted by board-certified physicians and medical physicists who assess the qualifications of the physicians, technical personnel, and precision of the imaging equipment. The surveyors compile a comprehensive report and submit their findings to the ACR's Committee on Accreditation.
